Consistently Serving the Great North Tahoe-Truckee Recreational Area Since 1869

96th YEAR — NO. 15 | Truckee, Nevada County, California | Thursday, March 18, 1965 | 10c Per Copy—$3 Per Year | Since 1869

Board May Change Plan For Applying Recreation Setup

There is every likelihood that Nevada County will establish some type of recreation agency in order to participate in the $150 million beaches and park fund provided through a bond issue voted at the last election. However, Supervisor H. G. Loehr said that thus far he has succeeded in blocking a possible county recreation district which would embrace this area.

Loehr said a suggestion that a recreation department, administered by the supervisors, be established with funds from the state to be allocated by the board and not through a taxing district.

No action was taken by the board at Tuesday's meeting and the plan is still under study, Loehr explained. He added that a public hearing will be held before any official action is taken.

Business License

At the same time, the board again discussed a proposed business license ordinance but this also was delayed pending further study and no action will be taken prior to a public meeting, Loehr declared.

In other action, the board approved a clerk for the liaison officer in Truckee and filed for future reference a petition presented by J. Vind of Truckee signed by a number of residents seeking exclusion in event an incorporation hearing is held.

Sheriff Wayne Brown accepted the appointment as county coroner, combining the two jobs, with an increase of $1000 a year in his salary.

Supervisor Resigns

Neal Hennessey, supervisor in the third district, presented his resignation as a member of the board, effective May 1. The post will be filled through appointment by Governor Edmund G. Brown. Hennessey said that pressure of other business prevented him from serving beyond May 1.

Last Rites Are Held For Tommy Brown

TAHOE CITY—Funeral services were held at Auburn, Wednesday for Thomas Brown, aged 90, a resident of Lake Forest since 1932, where he was employed as a carpenter.

The deceased, a native of England, died at Auburn where he had lived after leaving the lake because of advanced years. He was known affectionately as Tommy and is remembered as a good neighbor to his many Lake Forest friends.

Mrs. Ward Knapp who received the news at Lake Forest said that Brown was not married and there are no known relatives.

Dr. Tapia Chosen President Of Board

At a recent meeting of the Truckee-Donner Park and Recreation Board, Dr. H. P. Tapia was elected to succeed Charles Osburn as president for the coming year.

H. P. Savage of Floriston was chosen as secretary and Charles Spillner as treasurer.

Loyd Hoofard was retained as director and Mrs. Edith Welch as clerk of the board.

HORSEMEN POT LUCK DINNER ON MARCH 27

A spring roundup with a pot luck dinner will be held by the Truckee-Donner Horsemen at 6:30 p. m. Saturday, March 27, in the IOOF hall at Truckee. The affair is for new and former members and those interested in the group's activities.

Weather permitting, Mrs. Joe Money said that there will be a sleigh ride for everyone. Games will be played.

LITTLE MOISTURE IS ADDED BY STORMS

The scattered light storms Friday and Saturday dropped three inches of snow in Truckee and added .41 of an inch of precipitation to bring the total for the year to 34.11 inches.

This compares with a normal of 24.83 inches for the entire year, according to the U. S. Forest Service.

With the exception of shaded places and north slopes, the snow has disappeared in this area.

FIRE-ETTES TO HOLD ANNUAL HAT PARADE

The annual Easter Hat Parade of the Truckee Fire-Ettes will be held this year on Thursday, April 1 at the Flycasters Clubhouse on the Truckee river. The affair will be featured by a dinner and prizes will go to the most original, funniest and best designed hat. All the creations must be designed and made by the members. Mrs. Maybell Vahey is president of the Fire-Ettes.

Steve Felte Named Pioneer League's Valuable Player

Steve Felte of Kings Beach, a junior at Tahoe Truckee High School, was signally honored at a meeting of the seven basketball coaches of the Pioneer League in Marysville Thursday night when he was named as one of the two most valuable players in the league.

Because of the close vote, it was decided to also name Don Brandsford of Colusa to the most valuable player roster.

Felte, who has scored an average of 19.4 points per game during the season, was also named on the first all-league squad, along with Jack Davis and Jon Snyder of Del Oro, Brandsford of Colusa and Mike McAlpin of Wheatland. All the first team selections were seniors with the exception of Felte.

On the second all-league team, the coaches selected Mark Hayward of Lincoln, Dave Hansen of Live Oak, Bill Baggett and Gerry Boyes, both of Colusa, and Bob Calkins of Colfax. All this team are seniors with the exception of Hayward, who is a junior.

Felte was a unanimous selection as a first team member. Each of the boys on that team will receive certificates and a gold basketball while the second team members will receive certificates and silver basketballs.

Athletic Director Neal Gates represented the local high school at the meeting.

Beavers Lands Big Shark In Florida

Mr. and Mrs. C. S. (Butch) Beavers have returned to their Kings Beach home after a winter vacation in Florida where they enjoyed the sunshine and fishing. Both won honors with catches of fish.

Beavers, fishing from a reef at Key West, landed a 389-pound Mako shark, classified as a game fish, which is entered in the Miami Fishing Classic. The catch was made with rod and reel and it took Beavers nearly two houfs to bring the monster to land.

The Beavers plan soon to open their new office at their Ponderosa Palisades just south of Truckee and will erect a new home there this summer. Beavers said a number of new homes are scheduled for construction in the subdivision this year.

SIERRA SWISS CLUB DANCE SATURDAY

The annual spring dance to be given by the Sierra Swiss Club will take place Saturday, March 20, at 8 p. m. in Donner Lake Lodge.

The committee in charge of arrangements said there will be special Swiss polka music and everyone is invited. Dancers and spectators are expected from Lake Tahoe, Truckee, as well as Reno, bay area and valley areas.

WESTERN UNION WILL MOVE TO D&D OFFICE

Effective April 1, the Western Union moves its Truckee facilities into the office of the D & D Agency after many years in the Southern Pacific Depot. N. F. Dolley will serve as the local agent for the company, according to the announcement.

Service hours will be from 8 a. m. to 8 p. m. with emergency service available during the balance of the day.

NEW CHAIRS ADDED AT NURSERY SCHOOL

The Truckee-Donner nursery school children were surprised recently by the addition of new chairs in their room. The chairs were purchased through the efforts of the Nursery School Mothers and other interested local residents.

Mrs. Virginia Legg and daughter, Carrie, are new members in the school. Anyone interested in joining the group may contact Mrs. Richard Bollin for necessary information.

A belated birthday party honoring Robert Manetta was enjoyed by the children.

In Hospital—

Mrs. Daisy Foote of the Tourist Liquor Store, is a patient at Tahoe Forest Hospital undergoing medical treatment. She plans to return home Sunday.

Financial Reports On Sewer Project Are Available Now

Copies of the financial feasibility report for the installation of a sewer system to serve the Donner Lake Meadow Park, Donner Trail and other nearby communities now in the Truckee Sanitary District, are now available, Oliver E. Crose, clerk of the district announced.

The report, prepared by J. B. Hanauer & Co., municipal financial consultants, contains 22 pages of detailed analysis of the financial possibilities involved, gives the bonding capacity, the potential, estimated tax required, amortization of bonds and other phases of the project from a financial standpoint.

The report discusses a method of financing that employs the use of general obligation bonds and other methods of financing the $2,215,730 construction costs, plus the engineering, bond interest and other costs involved.

The financing, the report indicates, will require the use of a combination of methods, such as obligation bonds, taxes, connection charges, and other potential revenues.

In one section, the report would establish seven separate assessment districts, with each district

Show Boats To Play Truckee's All-Stars

Loyd Hoofard, director of the Truckee-Donner Park and Recreation District, announced today that the Harlem Show Boats, a comedy basketball team, will be here Monday night at 8 o'clock to meet the Truckee All-Stars in an exhibition game at the high school gymnasium.

Proceeds from the game will go to the recently organized Pep Club, a booster group at the high school, Hoofard said. The public is invited to see the entertainment.

THREE CASES HEARD IN TRUCKEE COURT

Willie Lee Billy, 27, Stockton, appeared before Judge F. W. Wilson in the Truckee Judicial District Court Thursday and paid a $110 fine on a charge of violating the California unemployment insurance code. He was arrested on a warrant issued by the local court.

Joseph Garcia of Truckee was released under $105 bail following his appearance on a charge of disturbing the peace.

Rinhold August Burgerger, 50, Sacramento, was released under $550 bail when he appeared on a charge of drunk driving.

FIRE FIGHTERS WILL HOLD TAHOE MEET

Men charged with preventing and fighting forest and range fires in the Central Sierra areas will hold their annual meeting at the California Alumni Center near Tahoe City May 5, 6 and 7, to map their campaign.

Attending the Central Sierra Fire Conference will be officials of the U. S. Forest service from the Tahoe, El Dorado, Stanislaus and Toiyabe forests, California Division of Forestry from Nevada, Placer, El Dorado, Yuba, Calaveras and Tuolumne counties and the Nevada Division of Forestry.

LEVEL OF TAHOE IS NOW 6227.04 FEET

TAHOE CITY—The level at Lake Tahoe Tuesday reached 6227.04 feet, with 50 cubic feet per second leaving the lake.

High temperature for the week occurred on March 15 with 45 degrees and a low of 21 on the preceding day.

WOMEN GOLFERS TO ATTEND RENO AFFAIR

Local women golfers wishing to attend the annual luncheon of the Reno Women's Golf Club on Thursday, March 25, at noon, may call Mrs. Sherman Reams or Mrs. Edwin Hendrickson.

The affair will be held in the Circus room of the Sparks Nugget with a social hour starting at noon and luncheon at 1 p. m. The cost is $4 per person.

Park Commission To Study Purchase Of Sugar Pine Area

The state park commission Friday will consider a proposal to help preserve the beauty of Lake Tahoe by acquiring Sugar Pine Point at Meek's Bay. The meeting is scheduled for Los Angeles.

The division of beaches and parks has recommended the commission approve purchase of the 2,214 acre site for the state park system. The money for the land would come from the parks bond issue.

Included among other matters to be considered by the commission is a report by the division on clean-up and repair to flood damage to park facilities on the north coast.

Man Says He Threw $50,000 Into River

Forty minutes after an all-points bulletin from Sacramento announced a car believed stolen in Los Angeles three weeks ago had passed through Davis after the driver purchased a set of skid chains and left without paying for them, Lloyd Anderson Miller, 23, absent without leave from the Marine Base at Camp Pendleton for three months, was apprehended here by the California Highway Patrol Saturday afternoon.

Miller, who gave his home address as Beckley, West Virginia, said he took the car in Glendale. It was later revealed that several cartons in the car contained chinaware and jewelry, which police said, was valued in excess of $50,000. Miller said he threw the boxes into a river north of Santa Barbara without opening them.

Patrolman Carroll Maynard first spotted the car as it passed him on Donner Summit. He followed the vehicle and notified Sergeant Don Wallace, who had stationed himself near the Donner Lake turnoff. When the vehicle neared the quarantine station, it was stopped by the officers and Miller surrendered without offering opposition. He was not armed and was cooperative, Maynard declared.

According to the registration, the car belongs to a rental agency in Los Angeles but had been rented by a Captain Fouard Aref, who reported the valuable contents of the cartons.

Miller was held here en route to Los Angeles on a grand theft, auto, charge, officers said.

CHAMBER WILL MEET ON DONNER MAR. 24

Considerable favorable comment, both from the Soda Springs area as well as from Truckee-Donner community, greeted the announcement that plans are being formulated to include the summit district in the Truckee-Donner Chamber of Commerce service area.

Announcement that a meeting would be held at Donner Summit Lodge yesterday to discuss details, was corrected by President N. F. Dolley, who said the meeting would be held Wednesday, March 24 at noon.

Everyone interested in the plan is invited to attend.

SLAYER OF SKIER IS SLATED FOR DEATH

Thomas Lee Bean, 20, has been ordered executed in the Nevada gas chamber April 7 for the 1963 slaying of Sonja McCaskie, former Olympic skier and one-time student in the Tahoe Truckee High School.

The new execution date was set by District Judge Grant Bowen of Reno.

Miss McCaskie, who lived at Tahoe City with her mother when attending the local school, was brutally murdered in her duplex apartment in Reno and Bean was convicted of the crime.

LOCAL STUDENTS IN DORMS AT COLLEGE

Sierra College's 62 dorm students include 40 men and 24 coeds from California and Nevada. Twelve are from Truckee, eight from Tahoe City and four each from Al Tahoe, Kings Beach and Grass Valley.

Tahoe Valley and Nevada City each provide three students. Other students come from 14 cities, including Auburn, Oakland and Carson City, Nevada.

Plans For Coming Little League Play Will Occupy Meet

Reorganization of the Truckee-Donner Little League will be the principal topic of business at a meeting to be held in the high school cafeteria Monday, March 22 at 7:30 o'clock.

All boys and their parents interested in the baseball games for the coming year are urged to attend the meeting when it will be determined how many teams can be fielded and who will act as managers and coaches.

All boys who played last year are asked to bring their uniforms.

Last year Truckee-Donner had four teams in the league which also embraces Tahoe City, Kings Beach and Incline Village. A league meeting will be held at the Tahoe Lake School on April 1 to enter teams and start planning for the opening of the play some time in May, depending upon the weather. Jake Luskey of Tahoe City is president of the league.

It is hoped to have four teams in the league from Truckee-Donner this year, one for the minors, 8 to 10 years of age, two major teams for the 9 to 12 group and one pony seniors for boys 13 to 15.

George Wurst is calling the meeting for Monday.

Contest Winners Revealed By PTA

The Truckee Elementary PTA met March 15 for its monthly meeting. The chairman of the nominating committee reported they had asked the same officers to serve next year and all agreed to do with the exception of the historian. Marigrey Fish was nominated to fill that office.

A committee was selected to revise the bylaws. Members were asked to consider changing the regular meeting night to the third Monday of each month.

Mrs. Beverly Wilson presented awards to winners of an essay contest conducted by the Wyethia Club. Mary Ann Atkinson, first place, Tom Hyers, second and Donna Comola, third place.

Weston Sauby showed charts to the members giving results of recent tests of 5th and 8th graders. The tests show that our students are slightly higher than the average for the state.

The members were entertained by Mrs. Miles 8th grade drama class, which presented a one-act play, "Boomerang."

Mrs. Roberson won the room count and Mrs. Reams won the door prize. Refreshments for the evening were furnished by Calle Kidd, Jean Manetta, Marigrey Fish, June Shane, Pat Manina, Pat Bell, Mrs. Ken Ford, Mrs. Diaz, Mrs. Nelson Stone, Evelyn McQuary and Pat Sutton.

LODGE OFFICIAL TO BE GREETED HERE

Christine Williams District Deputy of District No. 21 Colfax, and her staff will make her official visit to Naomi Rebekah Lodge, Truckee, on March 24th at 8 p. m. Noble Grand Dorothy Stice will preside and asks all members to note this change of meeting time. The meeting is to be formal.

Mrs. Albert Berghoefer, past president of Rebekah Assembly of Nevada, will also attend. Refreshment committee will be Bess Reid, Callie Kydd, Winifred Edmunds. Decorations Sadie Fields, Lona Boren and Julia Davis.

THESPIANS TO TRY FOR PARTS IN PLAY

KINGS BEACH—Tryouts for five leads and 12 smaller parts for the new play, Aladdin, to be presented in May by the Sierra Winter Stock will be held Sunday, March 21, in the home of Mr. and Mrs. Mike Laferrierre of Tahoe City at 8 p. m.

The future event promises to be as good or better than the past productions of the theatrical group, with many looking forward to the May opening.

Frances Hayman may be contacted for further information.

AT BEND —

Mr. and Mrs. Charles Fink attended the ski meet at Bend, Ore.

Eastern Star Will Welcome Grand Matron At Session

"The Days of Old, the Days of gold, the Days of '49" will be the theme of the evening when the six Chapters of the 13th District, Order of Eastern Star, join together in Colfax on Tuesday evening, March 23 at 8 p. m. to greet and welcome Worthy Grand Matron Ellen C. Walters of Paradise, and Worthy Grand Patron James H. Hoole of Sherman Oaks and other Grand Officers for their official visit to the district.

A large attendance is expected and arrangements have been made to meet in the auditorium of the Colfax High School.

Official hostess to the visiting grand officers will be the deputy grand matron of the 13th District, Mrs. Louise Anderson of Tahoe Vista, a member of Truckee Chapter, who has joined with the worthy

Local Resort Will Be Award Station

Sports Afield, one of the world's leading outdoor magazines, has announced the appointment of Donner Shore Resort as an Official State Fishing Awards Station.

The California State Fishing Awards program is not a contest to see who can catch the biggest fish. Rather, it is a program to commemorate memorable moments in fishing by citing meritorious catches in two ways: (1) The immediate awarding of a parchment certificate to each angler catching a qualifying fish; (2) The awarding of a special certificate, and a sterling silver Sports Afield Sportsfishing Pin to the "Best in State" of each species.

The eligible species of fishes and their qualifying weights have been chosen by the California fish and game department. These will be posted in the Donner Shore Resort tackle shop on a large chart, showing the top catches in each species, qualifying weights and who caught them.

Fishermen can qualify for these awards by entering their catches within 30 days after catching. Fish must be caught on sporting tackle in this state's public waters. There is no charge for entering.

Recipients of the top awards will be listed each year in Sports Afield, and kept in a national register for record purposes in the years ahead.

Entry blanks are available at Donner Sore Resort.

RONALD PORATH IN SILVER LANCE GAME

Fireman apprentice Ronald B. Porath, son of Mr. and Mrs. Leroy Porath of Kings Beach participated in the Silver Lance Marine and Navy intensive training operation that took place off the coast of California.

TIKI TROPHY RACE SLATED APRIL 4TH

SUGAR BOWL—Trader Vic's is sponsoring the Tiki Trophy ski race to be held April 4 at the Sugar Bowl. Many bay area skiers are entered in the contest for which four specially carved Tiki figures will be awarded as trophies.

Palm trees will be used to mark off the slalom run and a luau in the snow will climax the day's activities.

MRS. BERNARD VISITS

Mrs. J. H. Bernard visited with Mrs. Yolanda Olano and other friends last weekend while on a business trip from her home at Livermore. Mrs. Bernard, a local resident for many years, said she was pleased to find the light snow conditions while here.

G. Gunkel, Sharon Schultz Winners In Dog Sled Races

KINGS BEACH—As predicted by the experts, Gary Gunkel of Tahoe Vista, driving his nine "Flying Irish" setters scored his seventh victory in eight races in the Western Dog Mushers Association during the weekend at the fourth annual Sierra Dog Derby on the Brockway Golf Course.

Gary drove his team over the difficult 20-mile course in 1 hour, 36 minutes and 56 seconds Sunday, only seven seconds under the time he made Saturday to take both heats and one-third of the $1500 prize money.

The races were sponsored by the North Lake Tahoe Chamber of Commerce and attracted hundreds of spectators to the area for the two-day event which concluded with a banquet Sunday night at Crystal Bay Club where awards were made.

Doug Bard of Williams, Arizona, who placed third Saturday, jumped to second Sunday with a time of 1:41.44. Ernest Harrigfeld of Ashton, Idaho, dropped from second to third 1:47.22.

Lee Fishback of Nevada City placed fourth in 1:48.46 followed by Art Christsen, Jefferson, Oregon, Larry Clendenen, Anchor Point, Alaska; John Allen, Murphy's; Jack Daniels, Nevada City.

Sharon Schultz of Donner Lake, carrying the Truckee-Donner Chamber of Commerce banner and driving her five Irish setters, edged out George Stehlik of Mammoth Lakes in the 5-dog, seven mile course in the two-heat event. Bill Mieras of Doyle was in third place and Len Miller of Tahoe City was fifth. Mrs. Schultz made the course in 1:22.19 only eight seconds ahead of Stehlik.

In the junior race with eight entries, Tommy Stehlik of Mammoth came in only 18 seconds ahead of Kurt Schultz, 9 years old and the youngest driver, and his sister,

Skiis Destroyed In Bend Motel Blaze

BEND, Oregon — A motel fire Sunday set back the Far West Ski Association team on the eve of the Junior National Championships which opened Monday.

Jerry Wetzel of Reno, one of the F. W. S. A. Nordic coaches, stored 16 pairs of skis and other equipment in his motel room while he and other officials inspected racing and jumping facilities Sunday. In his absence a heater in the room set the skis and equipment on fire, destroying most of it.

New equipment was being rushed to the F. W. S. A. squad from Reno.

Of the 12,000 Chinese in California at the end of 1851, only 12 were women.

Entertaining At Nevada Lodge

The Commodores are now starring on the stage of the Topaz Room at North Lake Tahoe's Nevada Lodge. The group gained national fame as the Imperial Quartette and once led the Arthur Godfrey Talent Scouts for 22 weeks.

COMMODORES ON LODGE BILL

CRYSTAL BAY—Any group that can lead the Arthur Godfrey Talent Scouts show for over 22 weeks deserves the appellation "fabulous" . . . . and "fabulous" is the word for the Commodores, the quartet now starring on the stage of the Topaz Room at North Lake Tahoe's Nevada Lodge.

As the Imperial Quartette, they gained national fame as one of the finest spiritual singing groups in the world. Four years ago the group found a new sound, and the people loved it; they then changed the name of the group to the Commodores, and divided their act into seven different types of music: Pop—Rock and Roll—Western—Spirituals — Comedy — Progressive — and Operetta. This make the fantastic Commodores one of the most versatile singing groups in the country today.

Their warm and sincere personalities combined with their wonderful blending of music attracts people of all ages. They have been a hit wherever they have appeared.

The four boys: Charlies Speed—top tenor and fender bass, Rusty Wade—second tenor and piano, Kenny Smith—lead, guitar and banjo and Ronnie Baron on drums—are top recording stars, too, on the Coral, Dot and Challenge labels.

It looks like a smash hit show for North Tahoe's fun-center, Nevada Lodge.

Letter to the Editor

Having served the voters and residents of the Tahoe City area for some six years as a member of the Tahoe-Truckee Unified School District Board of Trustees, I feel that it is time for some other interested citizen to serve in this capacity.

I have enjoyed working with the other members of this board and with the district's administrative staff and the teachers. I hope to continue my interest in the activities of our school district and to keep in touch with the members of the board and the administration. However, I find that my personal program is such that I will not be able to give the necessary time to the district program that will be required, during this next term, to do a proper and consciencious job as a member of the board of trustees.

I would like to remind the members of our community that our schools are doing a good job in education and that our principals and our superintendent are to be complimented upon their continued striving for the improvement of our total educational program. I would make note of the fact that all regular board meetings are open to the public and that those who have complaints or misunderstandings concerning the schools should avail themselves of the opportunity of attending these meetings. An individual member of the board cannot officially answer for the board as a whole, nor can he act on behalf of the entire board unless specifically authorized to so act.

In order for our administrators to carry out the programs and policies that interested parents claim as being desirable for our schools requires cooperation not only by the teachers and administration but by the students and parents as well. It is to be noted that in the past requested activities have been withdrawn because of lack of support from the students and parents and not at the whim of the board, as many have preferred to imply.

Even though the trustees represent a particular portion of our district, they are elected by the entire district and must consider the district as a whole and not merely as its individual segments.

Our building program is going to require a great deal of time and effort on the part of all of the trustees and due thought must be given to the qualifications of the candidates for the office and I hope that the voters will make a wise choice in their selection of trustees at the election on April, 20,

How to hang on to your tax refund this year

Get your tax refund in cash, and chances are the money fritters away.

Get your tax refund in the form of a U.S. Savings Bond and chances are you've got it saved. Tucked away to be part of a down payment on a home someday, a stepping stone to somebody's education, or maybe just a big help when some emergency pops up.

You'll find an opportunity to take your refund in Savings Bonds when you come to that line at the bottom of your '64 tax return.

As well as hanging on to your refund, you'll have the satisfaction of seeing it grow 33⅓% bigger as your Bond matures. You'll also have the satisfaction of helping your country.

Think it over when you ask for your refund this year.

PICKING UP HITCHHIKERS DANGEROUS

Picking up hitchhikers continues to be one of the most hazardous acts a motorist can commit, reports the California State Automobile Association.

Despite the fact that most states, including California, have laws against hitchhiking, too many motorists continue to accommodate ride-seekers with little regard for the potential dangers involved.

The practice of "thumbing" rides became common during Word War II when servicemen were on the go and gasoline rationing and tire shortages curtailed passenger car use. Many agencies even encouraged the motorists to pick up servicemen seeking rides.

Today the situation has changed and the department of defense frowns upon hitchhiking by military personnel. Men in uniforms are prohibited from seeking a lift except at regularly established pickup stations.

Stopping your car to give a lift to a stranger is an open invitation to trouble, warns the CSAA. Don't risk your safety or the safety of your family by picking up hitchhikers.

A problem that perplexes most drivers from time to time is what to do when a man standing beside a car at the side of the road waves for "help" as you approach. The CSAA reports that this ruse has been used by criminals to lure the unsuspecting motorist. The best way, to render help in such a situation is to stop at the next service station or telephone and report the stranded motorist to the highway patrol or local police, says the California State Automobile Association.

When the Bidwell-Bartleson Party crossed Sonora Pass in the fall of 1841, they became the first organized band of setttlers to enter California over the Sierra.

Highway Deaths Up Over Last Year

SACRAMENTO —(CNS) —Deaths on California highways during January continued the alarming increase that was prevalent during 1964, jumping 15 per cent above those for January a year ago, the California highway patrol reported.

Beginning with a record New Year's holiday toll of 71, the death toll for January was 365, as compared to 326 a year ago, the CHP said. There were 40 deaths on New Year's Day alone, an all-time high for fatalities in a single day.

The same pattern was reflected in injury accidents, the patrol said, with 6125 persons injured during January. However, both injury accidents and fatal accidents were down slightly form a year earlier.

The CHP reported its officers made 108,292 arrests during January, up 9.2 per cent from the total of 99,198 during January, 1964.

EXAMINATION CALLED

Gini observed his natal date this week and looking forward to spring birthday anniversaries are his son, Eugene Gini and Linda Russell.

The family of Mr. and Mrs. Jack Houlgate celebrated their birth dates last week including Reagon, Nola and Ryan on the 12, 13 and 14 of March.

SUIT FILED

Ronald J. Souza has filed an action in the Nevada County Superior Court against Melvin Ray and Ann Becknell, charging that he was struck by a car driven by Becknell while walking on Interstate 80 near Soda Springs November 27, 1964. He seeks $75,000 damages.

The basic plan for San Francisco's 1017-acre Golden Gate Park was made by William Hammon Hall, who in 1871 became the park's first superintendent.

Nona and Clarence Achziger entertained his sister and husband, Mr. and Mrs. Eddie Vogel of Boron, California. They were here for several days inspecting the Boron Gas business of which he is a partner. Sunday night the two couples had a delicious dinner at the Nevada Lodge.

The Bob Silverias of Incline Village journeyed to the bay area this past week to the truck show. I, being their neighbor, kept their children, Peggy, Terry, Christy, Ricky and Billie. This in itself was fine except the night they were here seemed to be the exact moment of highest contagion since the next morning Robin and Scott, my children, came down with roseola. For anyone who is uninformed, like me, roseola is a childhood disease of the measles family, but the rash disappears in about 24 hours.

* * *

The William Clay house of Crystal Bay was damaged this past week when the furnace exploded in the basement destroying the outside wall of the home at that location and ruined the furnace. The cause is unknown as is the total estimate of damage. It is amazing but the fire went out of its own accord.

* * *

Bill and Betty Tamblyn journeyed recently to San Jose to help their daughter and husband,. Ann and Lewis Fellows to move, and to see their new grandson.

Lydia Circle of the W. S. C. S., Kings Beach Methodist Church, will be having a luncheon on March 24. The tickets will be $1.25. The program will feature slides and a commentary on life in Europe by Vera Daegling who has lived in all parts of Europe about eight years. Tickets are available through Arlene Reynolds, Nancy Rutledge and V. Ann Mandeville.

While on the subject of the church, there will be a breakfast, Sunday morning, March 21. This is sponsored by the men of the church. The price is $1.50 for adults and 75c for children on an all you can eat basis.

Vince and Pearl Keintz spent three days this past week in Valley Springs, California, near Stockton, with his brother Louie.

* * *

Our sympathy is extended to Mrs. Ivan Wilson of Tahoe City upon the passing of her father this past week. He was a missionary for a number of years and had retired.

Frank and Enia Wright of Incline Village spent several days in Carmel. Virginia Flagg cared for their little daughter, Christine.

* * *

Ardith Burrell's brother has returned home. Mr. and Mrs. Jack D. Lay of Santa Rosa visited with the Burrells about a week. On the way home he will stop and visit with his son in Sacramento.

The Newluns of Candlestick Lodge entertained her sister, Mrs. Faye Clouse of Bellflower, California. Also her niece and husband will spend about a week. Mr. and Mrs. Leon Sheumate will be returning to southern California at the end of the week.

Placer County has given notice that Spreikle Street will become part of the maintained mileage of Kings Beach county roads on the condition that the property owners will deed an additional five feet to make it a standard 50 foot roadway. It is about time that this area was assumed under county maintainance. If you own property on Spreikle and do not receive a letter with the deed for your signature, be such that you write to the department of public works in Auburn. This can not be done without each deed recorded and each property owner giving this additional five feet.

DONNER DOINGS....

Charlie White has resigned his position with the Sierra Pacific Power Company and enlisted in the U. S. Air Force. He will be stationed at Lackland Air Force Base in Texas and intends to continue his college studies. We are sorry to see Charlie leave our area and he will be especially missed by the ski fans. He was also a great promoter, getting the summer water ski meet underway at Donner Lake. Good luck in your new venture, Charlie.

Many of our local boys are working in Squaw Valley on weekends, selling tickets, parking cars and as bus boys and lift operators. A few of them are Steve Weiler, Mike Davis, Jeff Jellin and Buzz Dallas.

The Donner Lake Volunteer Ladies Auxiliary will meet tonight at Smart's at 7:30. Installation of new officers will be held.

* * *

An interesting meeting of the Truckee Outdoor Sportsmen was held last Friday in the museum at Donner Memorial State Park. Guests attending from the state fish and game department were Robert Montgomery, district managed, Allan Pollitt, in charge of hatcheries, Inspector Ken Hooker and Jim Stevens from Sierra County.

Pollitt gave a list of the fish plants for the local streams and lakes, including Prosser, Boca, Donner and the Truckee river. He said that plants were smaller last year due to the diet deficiency in the hatcheries, but that the situation was corrected.

Boca, it was announced, is doing well since it was restocked. Prosser will be planted in June or July and is reproducing well. Donner will get a Kokanee plant and the trout plant will be more often with less fish at each plant, giving everyone a chance to enjoy good fishing throughout the season. Donner is also slated to get a plant of a new hybrid trout, a cross between a kantloope and rainbow. This will be an experiment and results will be checked for survival, reproduction and growth. For those who like to travel a bit further, Blue Lake will be planted with golden trout.

Jim Stevens gave an interesting talk on the deer herds and proposed that an antlerless hunt be scheduled for Sierra County next season. He asked for the support of the club at a supervisors meeting to be held in Loyalton in May.

Stevens stressed the importance of the antlerless hunt as the herds, he said, are in poor condition.

He went on to tell the interesting story of the Kaibob National Forest in Arizona where at one time the deer were trophy size, weighing up to 192 pounds. As the herds increased the area became inadequate to feed them and each year the weight dropped to as low as 132 pounds. When the number of hunters decreased, the condition became worse. Finally, with thousands of deer taken off the range, they gained in weight and to the trophy size. He said the same results would occur here unless a correction is made now.

CLASS ACTIVITIES IN SCHOOLS

(Continued from Page 3)

Tim Tilton, Brad Onorato, Andy Bodine, Palmer Holbrook, Sandra Siegel, Kathy Rogers, Judy Jansowsky, Blain Hendrix, Ronnie Prouty, Mark Mercer and Leslie Cordone.

President last week was Andy Bodine. His helpers were Robert Atwater, Vicki Austin and Ronnie Prouty. Librarian was Glenn Holley.

Third Grade—Mrs. Strong: The class president's duties were shared by Joanne Waterman and Patti Voeltner. Their helpers were Kandy Motta and Mike Gill.

Those students receiving A's on their review spelling tests last week were: Lance Colline, Dave Dodge, Michael Everson, Tim Peterson, Lynnel Bechdolt, Vivian Berg, Pat Johns, Kandy Motta, Janis Sampson and Linda Thomson.

Third Grade—Mrs. Long: We had our first spelling bee of the year last week. Since we had so many left on both teams we are going to continue with the same teams. Jeff Duttweiler's team lost fewer team members than Sharon Murphy's team.

Those still standing for Jeff's team were: Jeff, Jenny Pelletier, Martin Novak, Susie Kelley, Mary Puisis, Kenneth Gonzales, Linda Kael, Cathy Butterfield and Meredee Baker. Those still standing for Sharon's team were: Sharon, Peter Johnson, Sue Ruhkala, Jurt Boer, Christine Onorato, David Bryan, Linda Menges, Henry Barwin and Lisa Austin.

Sixth Grade—Mr. Strong: The following students did very well on a test given on problem solving: Julie Gehlert, Paula Henrikson, Kim Nott and Mitch Packard.

In science we have been studying communications. Robbie Easton, Cliff Lisle, Jim McKinnon and Dune Shaver demonstrated the use of telegraph on a homemade set made by Robbie Easton. Steve Cross and Doug Martin also built a telegraph set.

In social studies the following students did very well on a test on Central America: Steven Henrikson, Jim Phelan, Carl Ruschmeyer, Lennell Topol, Robbie Easton and Ann Dodge.

Second Grade—Mrs. Steinhauser Those who made 100's in a 41 word spelling test are: Anja Eriksson, Karrie Stueven, Michelle Meyer Cheri Dittberner, Pam Baker, Linda Williams, Penny Nichols, Steven Frisbee and Mike Carnell. Pam Baker, Linda Williams, Mike Carnell, Penny Nichols and Colleen Conners all received several outstandings in their cursive writing for last week.

Helpers for last week were: Linda Williams, Danny Horton and Paul Johnston. Steven Frisbee is our flag salute leader.

The best current events last week were given by Craig Holmstrand, Susan Maxhimer and Kathie Lee.

Several students brought in Indian artifacts for our display table. They are Sammy Lohr, Steve Brehler, John McDown, Katie Felte, Susan Maxhimer and Teresa Ferrari.

Fourth Grade—Mrs. Wing: Book reports were given orally by Loretta Anderson, Colleen Balsley, Blythe Cheeseman, Marla Liddle, Brenda McKennon, Debbie Reynolds, Debbie Sipes, Joey Davies, Mike Kornazewich, Chuck McDown, Mark Price and Mike Rich.

Last week, current events were read to the class by Lisa Faulkner, Debbie Fellows, Marla Liddle, Dorothy McDonald, Debbie Reynolds, Debbie Sipes, Suzanne Thompson, Kristine Weber, David Ferrari, Chuck McDown, Mark Price and Lee Wentz.

During science Mike Rich did an experiment for the class.

We turned over two hundred and fourteen books to our P. T. A. library last Wednesday.

Fourth and Fifth Grade Combination—Mrs. Hendrix: The fourth grade continues to have 100 per cent participation in the current event program. The following students have perfect records for bringing at least one event per week during this quarter: Michael Allsup, Gary Frye, Anne Gorrindo, Mike Hiatt, Mike Maxhimer, Jeff Molsberry and Russell Potts.

We have speed tests on our multiplication and division facts. Becky Dunham, Terri Burghardt, Ronald Dunham, Patsy Kaspar, Dennis Luescher, Mary Lou Sedgwick, Bob Sikorski (5th grade), Michael Allsup and Jeff Molsberry (4th grade) had excellent averages.

Fifth Grade—Mrs. Ferrari: On our spelling review unit the following had a perfect score on the first day: Carol Achziger, Christine Bitler, Debra Bell, David Burkhart, Julie Faulkner, Mike Fontana, Kristen Rutledge and Gayle Hansen.

Calvin Felte, Doug Henson and Linda Munson had perfect scores on the final test.

Sixth Grade—Miss Loop: The six people who did not miss any spelling words on their review unit are Jan Achziger, Susan Leon, Rose Long, Margaret McDonald, Debbie Rich and John Tribuzio.

Those peple who gave book reports last week were Paul Spillers, Robert Holbrook, Martha Pope, Paul McDown, Vickie Hamilton, Doug Ruhs, Margaret McDonald, Jan Achziger, Lynann Fugazi and Bonnie Weber.

Seventh Grade—Mr. Wilen: Upon completion of our last reading unit the following students demonstrated very good knowledge of the subject, receiving A's or A-'s: John Gorrindo, Bob Hambelton, Gary Price, Charles Weber, Lana Hill and Taber Maxhimer.

The following had A's on our last science test: Gary Abrahamian, Ricky Decker, John Gorrindo, Bob Hambelton, Tommy Hull, Jerry Jerrems, Gary Martin, Gary Price, Leo Quartly, Mark Rutledge, Jim Sikorski, Charles Weber, Kristen Beatty, Neva Henderson, Lana Hill, Taber Maxhimer, Susan Robinson and Jayme Smith.

Voted as being the class personalities of the week were Taber Maxhimer and Gary Martin.

On the test of what we're learning about factorization Steve Williams, Susan Hawkins and Sandy Martin earned the highest grades.

Drug Arrests Up

A new California high in both adult and juvenile drug arrests occurred in 1964, Attorney General Thomas C. Lynch announced today.

The attorney general today released the preliminary statistics on 1964 drug arrests prepared by his bureau of criminal statistics.

During 1964, there were 17,182 adult drug arrests and 1,930 juvenile arrests. These represented a 13.2 per cent rise over 1963 for adults and a 35.2 per cent rise for juveniles.

Highest single rise was in the juvenile marijuana arrest category which showed a 101 per cent increase over last year, from 503 to 1,011. Eighty-one per cent of these juvenile arrests occurred in Los Angeles County.

Ponderosa Buick

We would like to take this opportunity to thank our many good friends who are helping to make our business a success. We here at Ponderosa Buick feel that by offering the best in service at reasonable prices, we can best serve you and continue to grow with the community.

We not only sell and service the Buick line of automobiles (the best on the road, we believe) but we provide other services designed to help you with your transportation problems. See us for:

REPAIRS to ALL makes of cars -- No repair job is too big or too little.

EMERGENCY REPAIR SERVICE — We will be glad to send a mechanic out to get your car started or perform on-the-road repairs.

Wednesday evenings have become class night for a few Incline Village gals. Betty Fowler was hostess to the class last week when they met to knit. Among those present were Velda Farris, Nancy Mitchell, Terry Baker and Eloise Dumond.

* * *

J. C. Jordan is relaxing at his Incline Village home after several months at Nassau. It will only be two months time until he reports to duty for the summer at the North Shore Club.

* * *

Pat Baker of Incline Village is recuperating at home after hospitalization in Reno.

* * *

Betty Baxter of Kings Beach has returned to her home after hospitalization at Washoe Medical Center in Reno.

* * *

Mrs. W. L. (Ethel) Bates of Kings Beach is recovering at home after being hospitalized.

A get well soon to all you gals.

* * *

Happy to see and chat with Bill and Janet Ellison of Kings Beach who were Reno shoppers last week.

Bill is back to teaching, looks great and altho he still has therapy on his legs, one would never believe he suffered such severe injuries. The Ellisons are preparing for opening their resort for the summer.

* * *

Mrs. Charles Grant of Incline Village is visiting her mother, Mrs. C. Buckingham at Flint, Michigan.

* * *

June Mandeville of Incline Village was hostess to a Zupper party last week, which was presented by Annette Webb of Tahoe City. Among those present were Doreene Silveria, Dorothy Bridges, Nancy Mitchell, Nancy Cooper, Myrna Owens, Louise Walter, Pearl Draney, Hylda Ross, Lolita Decker, Marian Mueller and Terry Baker.

Refreshments were enjoyed at the close of the program.

* * *

James and Gloria Neeley of Sacramento were guests at the home of Ceta Hooper and sons, Charles and Jon, this past week.

* * *

Mr. and Mrs. J. Filice and children, Gregg, Gus, Vickie and Edie, are enjoying their Incline Village home from Orinda.

* * *

James McCourry of Incline Village made a business trip to Los Angeles last week.

* * *

Marilyn Vale of Incline Village is a new employee at the Sierra Tahoe at Incline Village.

* * *

Fred and Alysmae Schultz of Crystal Shores made a flying trip to Corpus Christi to attend son, Freddie, graduation as a U. S. Naval Air cadet and receive his commission as ensign and get his wings. A quick trip to New Orleans and some side trips were enjoyed.

* * *

Upon phoning Alex and Bettty Jeffry, we find they have moved to Bethel Island from Incline Village. Alex is with Richard Yacht Sales. Best wishes for success in the new venture.

* * *

Sierra Winter Stock met for a pot luck dinner at the home of Joe and Sharon Dwyer at Pinelands Sunday evening.

The recent play, "The Mouse Trap", which was sponsored by the Tahoe Squaws, was a tremendous success. Everyone reports that this is the best play the Sierra Winter Stock has produced.

* * *

The Ed Cooleys of Incline Beach are recuperating at Palm Springs after being hospitalized from their recent accident. They will remain in the south until fully recovered.

* * *

Bill Watson of Incline Village flew down to Vinton, Louisiana, to visit his mother, Mrs. Theresa Cournier, for several days.

* * *

Back from a trip to the bay area, is Billy Garrett of Incline Village.

* * *

Upon phoning Alex and Betty Planning a Tahoe Vista visit to their summer home are Jerry and June Richards of Sausalito. June's daughter, Terrie, was married to George Stewart on February 19th at the Christ Episcopal Church in Sausalito.

Terri has spent her summers at Tahoe Vista where she has many friends.

Madolin invites browsers as well as buyers to stop in. Virginia Baker is Madolin's able assistant and accompanied her on the buying trip.

What in the WORLD! by TED

Star-Studded TV Series

Viewers will soon see a series of television plays that nobody could have afforded to produce if the stars hadn't virtually donated their multimillion-dollar talents.

The United Nations-oriented series of 90-minute entertainment programs features the biggest galaxy of name stars ever to go on TV. Xerox Corp., through the nonprofit Telsun Foundation, put up $4 million to finance the ABC network dramatizations of U.N. projects and problems. But a Telsun spokesman said "that would have been a drop in the bucket" if all creative talent involved had not donated their services at the bare union minimum salaries.

Launching the series December 28 will be "Carol for Another Christmas," produced and directed by Joseph L. Mankiewicz. Adapted from Dickens' classic, the Rod Serling teleplay unfolds a high-drama story to illustrate that "no man is an island" in our shrinking world. The glittering cast includes Peter Sellers, Eva Marie Saint, Sterling Hayden, Pat Hingle and Steve Lawrence.

As a measure of the stars' sacrifices on the U.N.'s behalf, the Telsun spokesman said:

"Hayden turned down a movie contract worth five figures. Instead, he worked seven weeks for us — at $350 a week. So did Sellers, who normally earns between $750,000 and $1 million per film."

Development OK'd For Incline Village

INCLINE VILLAGE — The Washoe County Regional Planning Commission has approved the application of Tri Capitol, Inc. of San Leandro for construction of a $5.5 million condominium development at Incline Village.

Tri Capitol spokesmen said the first phase of the project would include 37 condominium units to be built by mid-summer. The three bedroom, two-bath units would sell for a minimum of $58,000, each unit to consist of 2,000 square feet of floor space.

The project is expected to be completed by 1967 when it will include 112 units.

The proposed construction site is adjacent to Sierra Tahoe Hotel on the lake shore and includes 300 feet of beach frontage.

NEWS FROM DONNER TRAIL

By Betty Kielhofer

Barbara Zorich dropped by, displaying the most beautiful tan I've seen this year. She and Bud spent a few days at Sun Valley skiing and reported having a marvelous time. It was cold but didn't spoil their fun.

Sunday was a most beautiful day in the mountains and perfect for just sitting in the sun. Aldo and Clare Perino dropped by the house just being neighborly and enjoyed it with us. They have a most fascinating hobby. Each weekend thev're off to new places in search of Indian relics, arrow-heads and the like. Their collection is most interesting and beautifully assembled

Night school classes for flying are almost over and all the students are nervously awaiting the day when they will take their written exams. The general thinking is that flying is easy, once you get the written behind you. I can't help but admire those who have taken the test in recent years and passed, such as Charlie Fink, Zeph Rose, etc.

Velora Hansen has sent out a plea for a carpet 9x12 or larger. The Church of the Mountains Sunday School Nursery class is in desperate need of same, so don't throw it away. Give her a ring at 587-4056. They'll be forever grateful.

The happiest family I've seen in a long time came to town last week to buy the Wise home on the Truckee River. Their last name is Caso and they are from Novato. They brought the whole family from the tiniest grandchildren to the grandparents and this will be their vacation home for all of them. A hearty welcome is out and we'll be anxious to watch the many changes and expansions they have planned.

Yvonne Ellis merely turned her head to answer a question last week and ended up in the hospital with a pulled muscle in the neck. She's out and fine now but not answering any questions.

The Murphy and Bealle homes at Donner Lake both changed hands last week, with the Wegners of Ukiah and the McLaughlin's of Castro Valley, being the purchasers. These will serve as summer cabins for both parties. See you next week.

Report On School Expulsions Given Committee Study

SACRAMENTO — (CNS) — The assemb'y education committee has released results of a study which showed formal expulsions from public schools almost had ceased to exist but there were more than 6,000 full semester suspensions during 1964.

The study showed that 80 per cent of the suspensions occurred in school districts which had no special programs aimed at keeping students in school while they worked at part-time jobs.

The study also showed a large increase in the number of pregnant girls excluded from school during 1963, but a strong decline in this rate during 1964. The report showed more girls were returning to c'asses in recent years.

Assemblyman Charles B. Garrigus, D-Reedley, chairman of the committee, said the study showed the average suspended student is 16 years old, male, with a low ability to read but a normal IQ. He has three or four brothers or sisters, lives in a one-parent home, and the family income generally is below average. He is usually a member of a minority group.

This section, called the "Portrait of a Drop-Out", said the student who is suspended "probably has a long history of school probl'ems going back to elementary school, and his school work . . . most likely has steadily deterioriated with the passing years."

Garribus said one of the surprising findings in the survey was that the primary reasons for suspension were poor attendance and low motivation. Fighting and other types of anti-social behavior appeared to be much less important.

The study had been requested by a number of minority groups who had charged that school administrators discriminated against minority groups in their suspension policies. The study did not attempt to separate suspensions by ethnic backgrounds.

Tahoe Woman Is Injured In Blaze

TAHOE VISTA — Mrs. James Walker of Tahoe Vista suffered first and second degree burns on her left arm and approximately $3,000 damage was done to the Walker's one story dwelling as the result of an unusual occurrence.

Mrs. Walker was preparing French fried potatoes in the kitchen at 3:15 a. m. when the boiling oil spilled onto the stove and floor and ignited.

Walker, who was asleep in the bedroom escaped through a window unharmed and as the flames spread, Mrs. Walker went out the kitchen door, according to Assistant Fire Chief Charles Mohnike of the North Tahoe Fire Protection District.

Natural Resources Report Is Studied

Senator Paul J. Lunardi, Roseville, a member of the senate fact finding committee on natural resources advised today that the committee's report had been filed with the senate on subjects studied by the committee over the past two years.

Lunardi stated that the report covers six subjects, some of which are:

A plan to accelerate the provisions of harbors, and other boating facilities to meet the current and projected boating needs.

Attacking California's fire problems with a proposal to radically increase the level of fire law enforcement, fire prevention education and on the ground fire hazard abatement, and to also increase the level of fire research to devise methods of fighting fires, and developing materials and procedures to more effectively extinguish fires which do start.

The committee proposed a major change in the state's role with regard to the development of information on the state's geologic resources and geologic hazards, noting that the primary needs of today are twofold, i.e., (1) to identify the mineral commodities needed by industry and to aid in locating those commodities, and (2) to locate and map earthquake faults, landslips and other land and marine geologic hazards for public safety and property protection.

Kettenhofen Wins

CHAMBERS LODGE—Bob Kettenhofen, 19, of Lake Tahoe, skiing for the Denver University, won his second Snowshoe Thompson Memorial ski race Saturday.

Kettenhofen skied the difficult 15 kilometer distance in one hour, 16 minutes and four seconds, to win over Bob Gray of the U. S. Marines and Arnie Nossum, a Norwegian born student from the University of Nevada.

The race finished at the Tahoe Ski Bowl.

Steve Chase of the Fleur duLac Academy south of Tahoe City won the junior event and Dave Beeman, 15, of the same school, took third. The time crew was directed by John Daegling, ski coach at Tahoe Truckee High School.

CHURCH GROUP HAS ACTIVE SCHEDULE

The recently organized Lillian Wallace Circle of the WSCS of the Church of the Mountains, held a meeting last Thursday at noon at the home of Mrs. Earl Smith, Jr., with five guests.

The group meets the second Thursday of each month to discuss church matters and plan activities. The chairman is Mrs. Verona Hansen and Mrs. Virginia Legg is the treasurer.

Currently the circle is active in painting the lower rooms of the church and is reorganizing the choir which practices Friday evenings at 7 o'clock. They also supply teachers for the Sunday school.

Other members at the meeting Thursday were Mesdames Noreen Marx, Betty Mucha, Nancy Crose, Peggy Ferdinand and Mrs. Smith. Guests included Mesdames Judy Kaspian, Ellen Firpo, Rosalie Brown, Joyce Davis and Genice Stone.

TO BOISE —

Mr. and Mrs. Frank Barrett visited the Walter Barretts, enroute to Boise, Idaho from San Francisco.

SIERRA COLLEGE IS PREPARING MAGAZINE

Viewpoint, the semi-annual literary magazine sponsored by Sierra College, is in production for the spring semester. Last year Viewpoint originated a new system of selecting material and printing it. Response to the new idea has been quite favorable.

Editor Arthur Petersen summed up the magazine's objectives in a recent interview: "We have widened the scope of the magazine so that we may draw on the talents of people who are in the area but may not be in the college. We will consider manuscripts from all sources—the only prerequisite is quality. If a literary magazine is to grow, it must represent the best writing available."

An editorial board composed of four faculty members will award two $15 prizes—one for the best short story and one for the best poem. Only students of Sierra College are eligible for awards but all manuscripts submitted before the deadline, April 25th.

Insects are related to crabs and lobsters.

Pat Shane, William Thornton To Marry

Mr. and Mrs. Patrick Shane have announced the coming marriage of their daughter, Patricia Marie, to William Thornton, with Reverend William Marx officiating at the ceremony to take place at 3 o'clock on March 27 in the Church of the Mountains.

The young people are well known, both have attended local schools, the bride-elect to graduate in June.

Thornton, son of Mr. and Mrs. Melvin Thornton, is associated with his father in the garage business.

bearing its share of the cost, including construction, design, preliminary surveys, test boring, inspection and contingencies.

The report shows that despite the fact the bonding present capacity is much too low to eliminate that method for providing the complete cost, a combination of methods, utilizing state and federal assistance, make the project possible and even advisable.

Copies of the complete report are available for study at the community library, Z Market, county government building and at the office of the Sierra Sun. There is not a sufficient number for everyone interested, but those who desire to study the report may do so, Crose explained, by passing them along to a neighbor.

Tips Are Given To Local Gardeners

Mrs. Frank Quilici, member of the Tinker Belles Garden Club has compiled a few pertinent suggestions for combating snow and ice damage prevailing in local gardens.

A metal rake raises the pressed down grass to let in air and light most needed for a luxurious lawn. Snow mice or shrews raise mounds that are unsightly but the grass is unharmed and with the trusty rake can continue a good growth.

New sprouts from last year's plants should be protected, with dead stems and foliage removed the latter should be laid between the rows to provide mulch to hold moisture and nourish soil.

Shrubs should be pruned now to reduce the weight accumulated during the winter. Metal or wood props are effective in straightening the limbs.

Cold nights and light frost, even during the summer months limit the growing annuals although petunias, violas are included in the hardy types.

The members of the local club will be pleased to share their experiences with all who wish to see their gardens flourish instead of giving up and allowing weeds to prevail.

Doug Bard of Williams, Arizona, took the snowshoe event Sunday to win over Jeanne Reuter of Squaw Valley, a close second.

Saturday the Tahoe City Rotarians beat the North Tahoe Rotarians while the Tahoe City Optimists won over the North Tahoe Optimists in the snowball fights. Sunday the Tahoe City Rotarians beat the Tahoe City Optimists. The Elks managed to defend their championship in an overtime event.

Tommy Hull and Skip Webber, each 13 and students at the Kings Beach school, won the $25 first prize in snow sculpturing.

Committee chairmen were Lyle Gunkel, Bob Molsberry and Bob Daneri. Fred Schultz officiated at the public address system and Maggie Creglow and Ruth Parkhurst assisted on the score board.

It is planned to hold the race next year on the fourth weekend of January when it is hoped even more top teams will be able to compete.

1700 STUDENTS

"We'll have 1700 students at Sierra College next fall," President Harold Weaver informed trustees last week. He based his annual forecast on the district high school senior classses which are up 15 per cent, indicating a 15 per cent higher freshman SC crop.

Sierra College maintains an employment service for students and prospective employers. Registrar Martin Taylor today urged district businessmen to make use of the service. The college cooperates with the state department of employment.

Edward Gill Now In Navy Training

SAN DIEGO, Calif. (FHTNC)—Seaman recruit Edward P. Gill, USN, son of Mr. and Mrs. Edward F. Gill of Tahoe City, Calif., began basic training February 17 at the Naval Training Center, San Diego, Calif.

The nine-week training includes naval orientation, navy history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

During the training recruits receive tests and interviews which determine their future assignments in the navy. Upon completing the program they are assigned to service schools for technical training or to ships and stations for on-the-job training in a navy rating specialty.

Naval training produces the power in seapower by supplying qualified personnel to man the ships, aircraft and shore stations of today's modern navy.

Students Gather For Career Talks

The juniors and seniors of the Tahoe Truckee High School were given an opportunity to explore their future careers with persons selected to give them needed information at a meeting in the school last Thursday evening.

The keynote address was given by Dr. Willys Folsom, dean of admissions of Sacramento State College. In his remarks the dean spoke of the opportunities and privileges of being alive in today's world.

Then followed three different sections giving the students time to investigate at least three different career opporunities.

The following persons gave their time to help in this project: Earle Risden, United Air Lines; Dennis Thompkins, the apprentice program; Dr. Richard Tierney, dentistry; Norman Dewhurst, engineering; representatives from the U. S. Forest Service; Robert Fugazi, the legal field; Charles Cross, lumber and manufacturing.

Miss Ruth Knight, medical services; Wendel Russell, motel, hotel and restaurant; Mrs. Norfolk, office work; William Briner, politics; Rev. Frank Evans, religion; Mr. Bollenger, social work; James Brehler, teaching and Ray Rohdy, banking.

This affair was a joint venture with the Tahoe City Rotary Club.

matrons and worthy patrons of the district in planning a gala evening, along with the serious ritualistic work which will be presented for the visiting grand officers by the officers of the six chapters.

The theme of the evening is appropriate to the 13th District, since all six of the chapters are located in an area where history was made during the days of the gold rush in early California. Most of these chapters have been in existence and active since those early days.

The chapters and their presiding worthy matrons and worthy patrons are: Evangeline Chapter No. 9, Nevada City; Worthy Matron Thelma Dundas; Worthy Patron Demar Dundas; Aurora Chapter No. 40, Grass Valley: Worthy Matron Ruth Brooks; Worthy Patron William Brooks; Placer Chapter No. 49, Dutch Flat: Worthy Matron Roberta Murray, Worthy Patron Robert Murray; Truckee Chapter No. 116, Truckee: Worthy Matron Dorothy Corbin, Worthy Patron John Corbin; Bethany Chapter No. 3044, Colfax: Worthy Matron Opal Neeley, Worthy Patron Harrison Callender; and Pelton Chapter No. 615, Camptonville: Worthy Matron Opal Massa, Worthy Patron Frank Massa.

A social hour and refreshments will follow the meeting and members of the Masonic youth groups, Job's Daughters, Rainbow Girls and DeMolay boys will assist with serving refreshments in the high school cafeteria.

All decorations and entertainment during the evening will depict gold rush events, heroes, heroines and customs of '49 days, taken from the actual history of this area of the Mother Lode.

Fifty-year members of the Order will be special guests for the evening, especially those from the six chapters involved. All members of the Order of Eastern Star are invited to attend.

SURVIVORS LISTED FOR ETHEL McBRIDE

Burial service for Mrs. Ethel Marzen McBride was held in the Sierra Mountain cemetery following her death, reported in March 11 issue of the Sierra Sun.

Mrs. McBride is survived by a sister, Mrs. Margaret Mackay of Auburn and several grand nieces and nephews in that area. Mrs. Mackay is the widow of Dr. Gordon Mackay, who was a practicing physician here for many years.

Tony Pace, a very close friend of the family, was in Ventura when Mrs. McBride expired.

CALL EXAMINATION

AUBURN—The Placer County Personnel Department has set April 9 as the final date for filing applications for an examination for senior civil engineer. Those wishing to take the examination should contact the Personnel office in Auburn.

Four large shell mounds indicate that Angel Island in San Francisco Bay was once occupied by the Coast Miwok Indians.

BREAKS JAW SKIING

Ronnie Walker broke his jaw Saturday when he unfortunately collided with another boy while skiing. Following treatment he is able to take nourishment by sipping liquids through straws.

CLUB MEETING

A luncheon meeting will be held at Manzo's Inn Friday, March 19, by members of the Wyethia Woman's Club, with guests invited to attend the sesion. Mrs. Lucile Bick will be hostess.

THE HEAVY RAINS HAVE BROUGHT INFECTIOUS MOSQUITOES WHICH ARE SPREADING A STRANGE DISEASE!

SUCH AS!?

THE BOLUGAS ARE KIND, GENTLE PEOPLE... YET, MANY HAVE GONE BERSERK!

HM! THAT MAY NOT BE SO STRANGE!
